

Help Fight Homelessness

BY MAKING AND DISTRIBUTING HOMEAID CAREKITS

What Are CareKits?

HomeAid CareKits are small bags filled with items for those experiencing homelessness on Orange County streets. Carekits include a handful of items such as food, water, and a housing resource information card.

HomeAid encourages you to keep CareKits in an easy to access location, such as your car. This way, it's easy to give a helping hand to people experiencing homelessness.

EACH CAREKIT CONTAINS

WANT TO GET INVOLVED?
